Proposed State Legislation May Eliminate Burr Ridge's E-9-1-1 Board

Legislation was recently introduced that would completely overhaul how 9-1-1 funds are collected throughout the State. The extensive legislation has a lot of moving parts, but will have a significant effect on the Village of Burr Ridge because of a proposed section in the legislation that would force all communities with 9-1-1 authority under 25,000 in population to consolidate with a larger authority. This would eliminate the Village's autonomy as it relates to 9-1-1 issues and force the Village to either join with DuPage County or Southwest Central 9-1-1. Since consolidation of Emergency Telephone System Boards (ETSBs) as well as primary system answering points (PSAPS) seems to be the main goal of this legislation, there is not much that small communities like Burr Ridge can do to change its course. However, while in Springfield, I asked the lobbyist for DuPage Mayors and Managers to contact the sponsor of this bill to request that municipalities that are forced to consolidate be provided a seat on the Board with which they are compelled to consolidate. The sponsor of the bill refused to add that language to the proposed statute. With this in mind, the Mayor sent a letter this week to Senator Radogno and Representative Durkin requesting that they propose an amendment to this legislation that would at least allow us representation on the Board with which we have to consolidate.

Realtor Lunch Meeting a Success

The Realtor Lunch meeting that was hosted by the Village and its Economic Development Committee on Friday, May 29, was attended by 46 Realtors, 14 governmental agencies and 13 Village Board and Staff members. Considering the high demand on Realtors' time at this time of the month and time of the year, we were satisfied with the attendance and feel the meeting was a success.

Article in Support of LGDF

An article written by Village of Roselle President and incoming DMMC President Gayle Smolinski concerning the impacts of Governor Rauner's proposal to reduce the municipalities' portion of the income tax (LGDF) by 50% is available for review at the Village Hall.

April Building Report

The Building Report for the month of April, prepared by Building & Zoning Assistant Julie Tejkowski, is available for review at the Village Hall. The report shows the following building permits issued during the month:
